

Harmstock is our annual charity event that raises money for the Lincolnshire & Nottinghamshire Air Ambulance. Last year we raised £1500.

We do not charge an entrance fee to Harmstock but we suggest a donation of £2 per head which is acknowledged with a wrist band. There is a number on the wristband which will be entered into a draw for a Pin of Ale delivered within 25 miles of Harmston. We **will** rattle buckets throughout the weekend to get further money out of you – it's all for a good cause.

Our musicians do not get paid for this event. They are playing for their and your enjoyment.

The staging is donated free of charge as is much of the equipment used throughout the weekend.

The generosity of our friends and customers enables us to put this on as a free event to bring the community together and raise money for a good cause.

There is limited parking 'on street' around the village. Please do not block driveways.

There is minimum seating – please feel free to bring your own chair.

For your dog's safety and that of our customers no dogs will be allowed this year except for disability assistance dogs.

Children – under 16 must be accompanied by an adult and must have a "Harmstock" wrist band or they will be sent away.

If you are fortunate enough to look under age you will be checked. Please bring along your ID just in case.

Come along, enjoy and dig deep in your pockets to make Harmstock another success.
